Carbon Wins \$25 Ball Prize

BEISEKER-The C.Y.O. Girls' Fastball Team took part in the Rosebud Ladies' Fastball Tournament last Wednesday. Unfortu-nately the Beiseker girls lost the first game to Rosebud team 13-12 after an extra inning. The Carbon team won the last game and the \$25 prize money. The girls wish to thank A. M. Schmaltz and Alfred Hagel for providing transportation for them to Rosebud.
On the same day the local

Knights of Columbus lost out in a Fastball tournament at Cluny. Calgary, Rockford, Beiseker and Cluny councils were represented. With a little more practice, the local aggregation would be able to give a good account of themselves at these inter-council meetings.

Mrs. Frank Schmaltz, Marie and Betty, have returned home after a trip to Nova Scotia.

Mr. and Mrs. John Brown of Leduc, Alberta, were holidaying in the U.S. On their return they stopped off at Beiseker and visited with Pete Schmaltz. They left for Leduc Sunday noon.

Mr. and Mrs. Doug Brown are camping at the P. Schmaltz grounds for the time being. Mr. Brown is being moved from Maseppa to Elnora to buy grain for the Searle Grain Co. Doug is waiting here until his furniture is moved, which he hopes will be in

the next few days.

The Killens are also waiting to be moved to Mazeppa, where Ki will buy grain for Searle Grain

It is reported that Peter Schmaltz, jr., left on a trip to Great Falls, Montana. Who he went with is a mystery to us all.

Mr. and Mrs. W. Hagel, Mr. and Mrs. Tony Velker and Mrs. Felix Hagel, Sr., are leaving on Tuesday for Linton, North Dakota, U.S.A., where they will take part in celebrating the 50th wedding anniversary of their aunt and uncle on August 16.
Des Brosteaux, Emmuel Hagel,

Florence, Doreen Hagel and Dolares Silbernagel, returned home from their trip to Spokane. All report a wonderful time, but wishing they had more time and money to spend.

LEVEL LAND NEWS BRIEFS

LEVEL LAND - Mr. and Mrs. Sam Leiske and Larry and Wayne and Mr. and Mrs. Earl Chandler, were week-end visitors at

Mr. and Mrs. Merck and their two children arrived from Germany last week. They are daughter and son-in-law of Mrs. Sell.

Pastor Striefling, guest speaker at the S.D.A. church on Aug. 11, gave two services, one in the afternoon and one in the eve-

Mr. and Mrs. Clarence Suelzle have returned from holidaying in the U.S. and were week-end visitors in the Level Land district.

Mr. and Mrs. B. Ellen of Rocky Mountain House are visiting in this district with their brothers Gideon and Edgar Tetz and their sister, Mrs. Alex Uffleman.

Mrs. Schmeir of Craigmyle and her mother, Mrs. George Johnson of Vancouver were visitors in this district last week-end.

Mr. and Mrs. John Leiske, Marjorie and Jerry are spending a week holidaying in the moun-

The S.D.A. group had a business meeting on Sunday evening, Aug. Pastor Streifling was in attendance. It was a very important meeting when many resolutions of interest and importance were passed.

THIS LITTLE BOY went out to the shed at Hamburg, Germany, to visit his dachshund and her six three-weekold puppies, and was more than a bit surprised to find the mother dog also caring for two fawns who had wandered into the shed.

Plante-Ternes Pledge Vows

BEISEKER - A very pretty wedding took place Saturday, Aug. 4, at 10 a.m. in St. Mary's Church, Beiseker, when Mary Anne Ternes, daughter of Mr. and Mrs. Oswald Ternes, became the bride of Mr. William Adrien Plante, son of Mr. and Mrs. Frank Plante, all of Beiseker.

Rev. Father Tennant performed the nuptials before an altar decorated with flowers. Given in marriage by her father, the bride was lovely in a floor length gown of white satin with nylon yoke finished with satin folds and seed pearls. The skirt, trimmed with lace, was caught up in front with bows and seed pearls to reveal lace under skirt. The bodice but-toned down the back with tiny covered buttons and long lily point sleeves. Her finger tip veil of nylon net fell from a beaded coron t, and her bouquet was red

As maid of honor Miss Frances Plante, sister of the groom, was dainty in pale green net over taffets. The bridesmaid, Miss Edith Ternes, sister of the bride, was gowned in orchid net over yellow carnations.

The flower girl, Glenna Ternes, was pretty in a toe length yellow net over taffeta with a nosegay of orchid flowers.

The bridegroom was attended by Mr. Max Ternes, brother of the bride, and Ambrose Traidl.

K.I.B.A. League **Starts Finals**

BEISEKER - On Thursday, Aug. 9, Beiseker travelled to Hand, also Henry Bargardt who a Keoma for the first game of the going to college there and sends K.I.B.A. League. Result was his best regards to his parents and Keoma 8, Beiseker 6. One home friends in Beiseker. run was hit by Fennessay with a runner on base. er. Strong.

On Sunday evening, Aug. 12, Beiseker won the s cond game of had a wonderful time. the finals played at Beiseker by They then went to C a score of 8 to 1. There was one Wainwright, then be home run by Alek Uffelman with Olynuck, catcher Reifsnyder.

The third and deciding game of the finals will be played at good but late, with the exception Keoma on Sunday, Aug. 19, at 2 of a few places where heavy o'clock in the afternoon.

Ushers were William Ternes, brother of bride, and Carl L. Schmaltz, cousin. The wedding music was played by Mrs. L. Brosteaux.

A reception was held at the hom of the bride's parents. The table was decorated with flowers and pink candles and centred with a three-tiered wedding cake. The toast to the bride was proposed by Mr. Ted De Waal. The bride's going away suit was of red gab-ardine with white accessories.

After a short honeymoon the couple will make their home in Sexsmith, Alberta. Out-of town guests were: Mr. and Mrs. S. Verwire, Mr. and Mrs. Jack Van Bavel, Mr. and Mrs. John Van Bavel, Mr. and Mrs. Joseph Van Bavel, all of Strathmore; Mrs. Annie Gram of Calgary, Mr. John Luft of Cremona, Mr. and Mrs. M. J. McKinnirey of Olds, Mr. and Mrs. Heinzlemeir of Rocky ford, Mr. and Mrs. Ted De Waal of Calgary, Mr. and Mrs. Joe Miller of Lacombe.

Couple Celebrate 30th Anniversary

BEISEKER - Mr. and Mrs. Schmaltz, Mattie, Lawrence and Bernice have returned home after taff ta. Both wore bandeau hats a trip to Saskatchewan. They this fall and we think we can of net and ribbon and carried first went to Denzil, where they give the fans all the excitement left the family and picked up Mr. and Mrs. Wendel Leibel and Mr. and Mrs. Joe Senger, brother and sister of Mrs. Matt, and went to Regina and visited Mr. and Mrs. Peter Zerr. There they took in the

through the crowd he was quite surprised to hear a greeting from Nick Velker who was at Regina representing the Hydraulic Farm

From there the party went to Batteri's were, Watrous and took a swim in the for B.iseker, pitchers, Olsen, J. famous salt and mineral water, Hagel, catcher, Reifsnyder; then on to Saskatoon and Battle-Keoma, pitcher, Houghton, catch- ford where they attended the lovely wedding of Elaine Reinbold to Alf. Zimmer, and they all

They then went to Chauvin near back to Seibel farm where Mrs. Schmaltz one runner on. Batteries were: was raised and got married on for Keoms, pitcher Toomer, Aug. 10, 1921. Many friends were catcher Strong; Beiseker, pitcher gathered to celebrate their 30th edding anniversary.

Matt reports the crops are very damage was done by hail.

Couple Celebrate Silver Anniversary

BEISEKER - Mr. and Mrs. Mr. and Mrs. Campbell many more years of happiness, dainty lunch was served callers.

Several lovely gifts were pre-sented to the couple from their many friends.

F. A. Lount was driving back and forth during the Tb. X-ray

Mrs. Wald and Miss E. Weg-ener worked hard in the hall the street every day trying to pick

Mrs. Lou Brosteaux is out on street every day trying to pick up news.

Father Tennant was seen umpiring a wonderful game; Felix Hagel was resting in the hay; Leo Schmaltz was trying to pitch horseshoes; L. L. Schmaltz won two bits from someone on the ball game; Mrs. L. Schmältz was seen catching the rooster.

Bert Day is away visiting with

his brother.
Mr. and Mrs. Peter Ternes expect to leave Beiseker shortly to reside in Calgary, where Peter has acquired a position with

Mr. and Mrs. Hopf and family Mr. and Mrs. Hopf and family have moved into the house previously occupied by the Bettins.

Little Andy Schmattz spent a few days in hospital undergoing treatment for blood poison.

Mr. and Mrs. C. L. Schmattz and Mr. and Mrs. Emmet Feiser spent a few days at Renff.

spent a few days at Banff.

Football To Start Soon

BEISEKER-Now that baseball has almost run its course it is time to start thinking about football. All boys that are in-terested (and men) are asked to report on to the field at 2 o'clock sharp on Sunday, Aug. 19. That is, if there is no baseball game on that field on that Sunday. If there is, the practise will be held the next Sunday.

We have a new deal coming up they want. Football is a fairly new sport in this district and wa derstand it.

last day of the Regina provincial exhibition.

Matt says the world is pretty small. While he was pushing through the according to the practices and see what we more such clubs in the surroundare doing and we will answer any ing districts in the future. Help questions taht you care to ask, us by letting us show you a real with your support we know that good sport.

KATHYRN AND DISTRICT NEWS

KATHRYN - The annual meet-Fred Campbell celebrated their silver weedling anniversary on Saturday, Aug. 11. During the afternoon and evening a large number of friends called to wish the control of t elected for the ensuing term: president, Mrs. H. McKay; vice-president, Mrs. H. Anderson. The vice-president will assume the presidency in six months. Secretary is Mrs. F. Saunders; treasurer, Mrs. J. McKay.

The annual report read by the retiring president, Mrs. Gladys Longson, indicated that the main project for the year had been the fowl dinner and bazaar held in the fall. The new club house was also completed to a point where it could be used for meetings and social gatherings.

A large gathering enjoyed a pleasant afternoon tea at the home of Mrs. J. W. Anderson, Delacour; on Saturday afternoon, sponsored by the Evangeline Chapter of the Eastern Star, Irricana.

Miss Jean Angus, student min-ister for the Langdon and district United church is conducting the Church Vocational school in Kath-ryn this week. The Kathryn Sunday school will hold its annual picnic at the Community building on Aug. 10.

Mr. C. Sveinson, formerly of

Vulcan, has assumed his duties as grain buyer for the Alberta Pacific elevator at Kathyrn. Mr. J. MacDonald and family

spect to leave Aug. 15 for Dahl, Alberta, where he will be employed with the United Grain Co.

Mr. and Mrs. O. Anderson have left on their return journey to Victoria after spending three weeks with their sons and wives in Kathryn.

Miss Olga Anderson is visiting with her brothers prior to leaving for Newfoundland where she will take a position as nutritionist with the Provincial Department of

A number of the members of the Masonic Lodge Strathmore and their families journeyed to Wyndam Park, Carseland, on Sunday for their annual picnic. The inclement weather forced most of the picnickers to retire to their cars and return to the Carseland hall.

Miss Janet Mary Scott enter-tained a number of young friends and their mothers at a lawn birth-day party on the occasion of her first birthday.

FISH FAMINE, which lasted two years at Killarney, Ont., ended when Father Vincent McHugh, Roman Catholic priest, blessed the waters of Georgian Bay fishing grounds. Soon after villagers were hauling in 500 times the average of the last two years.

EDITORIAL PAGE

Spain, Yes---Franco, No!

In the hurry to equip Europe with defense against the threat of Red Russian aggression, the United States is making some strange bedfellows in asking for the cooperation of Francisco Franco, Spanish

Franco is just as fascist in his outlook today as Mussolini was in June, 1941, when he stabbed France in the back. To wrest Europe from Hitler and fascist enslavement of 1940 the Western democracies fought and our youth bled and died on the battlegrounds, in the air and on the sea.

It is strange, therefore, to find the U.S. willing to make a pact with a potential former enemy, one whose form of government we detest. Yet, it is only for military considerations that Spanish bases will be exchanged for American dollars. The idea is that even if Franco is obnoxious to our international sense of repopulation to the state of national sense of propriety, using Spain to defend us against the Russian threat is not.

If Franco would quit his job and let Spain elect a truly democratic government such as was done in Italy after Mussolini was eliminated, a saw-off deal of Spanish military bases for U.S. dollars would be mighty palatable to the Western taste.

Saturday Bank Closing

The Chartered Banks, and Treasury Branches in Alberta, are rendering the same highly efficient service today that they were doing ten years ago. But whereas other businesses charge more for their services, the Banks still get only 15c exchange on a check and charge no higher rates of interest on most loans. Nevertheless, Bank expenses have gone up and with the introduction of the five-day work week for employees will be faced with higher wage expenses unless they can operate on only the five-day business

To do this they must get the permission of Parliament. We hope that this will not be denied them. Banks and Treasury Branches are now open only two hours on Saturdays anyway and the business done in these two hours can easily be handled in the other five days of the week.

The Region Needs Religion

The news from Hongkong, China, is that large groups of Protestant missionaries have applied to the authorities in Red China for permission to leave the country due to the fact that American property has been seized, bank deposits frozen and there is an increasingly hostile attitude toward Western missionaries in general.

We think the missionaries are showing good sense but, at the same time, we doubt that there is an area in the world more in need of the principles that the missionaries

need of the principles that the missionaries

Note and Comment

Bread reigned supreme over the ancient world. The Egyptians based their entire administrative system upon it. The Jews gave it a prime place in the religious laws and ceremonies. The Romans conquered and ruled the world by it. And very special significance was brought to it by One who said: "I am the bread of life."

When the average factory worker in the United States eats his breakfast before his eight-hour shift it will take him only 9 minutes and 45 seconds to pay for it-2 slices of toast, 2 slices of bacon, a potato, 2 eggs and a glass of milk. His father in 1914 had to spend 32 minutes and 48 seconds at the factory to secure the same hearty meal.

While figures for Canada are not available, the Canadian Federation of Agriculture points out that this statement applies equally in Canada as in the United States.

Ronald Levang of the Edberg district narrowly escaped serious injury last week when the tractor he was driving overturned, coming to rest with all four wheels in the air. He managed to jump to safety and received only minor bruises.

Many farmers, however, are not so fortunate, and during the last twe weeks of July at least four deaths occurred in tractor accidents in Alberta.

Left of Right

A reader finds the occasional political comment in this space baffling, "You call yourself a capitalist and often write like a Communist," he says. "Whose side are you on, anyway?"

There's a warm invitation these days to be on neither side; to merely sit, wary and alert, on the

fence, shouting encouragement or scorn as the evidence presents itself. As a columnist that's the perch I try to maintain.

Whatever we believe in, we all function as capitalists. Good or bad, that is the system under which we live.

Essentially, I am for the capitalist system. I survive pleasantly under it. I like the challenges it

presents to me personally and the rewards when I meet them. I like the freedom it gives me as an individual. For the lucky or succe ful individualist it is the best of all systems. If it continues it will be a good system for it will have be a good system to continue

Those of us who are capitalists and believe in its future fall into two camps. There are radical capitalists and there are conservative capitalists. They are called by many other names. These se to me the most accurate.

Conservative capitalists take this view: We say the capitalist system must be a good one or it will be blown away as it has been all over the globe. We want to play it safe, selfishly perhaps, because we're prospering under it.

We say this: If people live in slums and poverty the system isn't working and, so, is threatened. So let's play it safe. Clean up the slums. Guarantee a decent level of security. If equality of opportunity is only a politician's promise or an industrialist's dream, then make it a reality. If we don't, sooner or later the system goes

The conservative capitalist says this: Make decent living a hard fact for everyone, not just a possibility. Put in controls, if necessary. Tax us to the hilt, if necessary. Wipe out the uncertain charites. Make the care of the sick and destitute as much a government responsibility as building roads.

The conservative capitalist says make democracy something with a practical meaning. Give all capitalism's opponents, even the wildest, the right to speak. Never, never "ban" a man for his

When you do you weaken the system. Never deny the vote to a man or woman because of race or color. For then you make an enemy and capitalism, too, needs stout friends.

The conservative capitalist is in the curious position of having no voice representing him. The nearest thing to his credo is Socialism, for which he votes. But in many cases that is not what he wants It merely happens to be the closest compromise to a workable capitalism.

This conservative capitalist does not fear the Communist. He fears the radical capitalist.

The radical capitalist fights any taxes or controls. He uses his wealth and power to suppress opposing voices. He believes in the law of supply and demand, in "letting prices find their own levels" though that may mean less milk on a family's table. He tolerates alums and poverty. He keeps down minority groups as threats to his own economic fortress. He praises the nobility of charity to dodge his own responsibilities, lives in luxury while others live in squalor, preaches 'equality" and lives segregation

He little dreams of the revolt behind the placid faces of the men and women he sees on the street. He little dreams that his whole world can come tumbling down as it did in France or England or China. Like all radicals, he has a one-track mind.

And so we conservative capitalists fear him, as we fear all fools. We try to point out that he is a slow suicide, but he is too comfortable to listen well to advice.

Freight Rate Award

(From Winnipeg Free Press)

In awarding the railways a 12 per cent increase in freight rates, the Board of Railway Commissioners has largely ignored a number of factors asic to any rate-mak In neglecting to give these any proper amount of consideration, the board has, as in the past, brought in a verdict that is at once a reflection on its own capacity for its job and a serious gesture of discrimination against the prairie provinces

This discriminaton arises from the fact that the increase is permissive not mandatory and the railways will feel free to apply it fully only in sections of Canada where there is no effective water and truck competition. In the east and in British Columbia such competition exists and as a result the railway rates there are kept to a competitive level. But in the prairie provinces no such protection exists and rates in the prairie provinces have consistently been higher than the eastern rates, although it has been clearly shown that railway operations in the west are far more profitable than they are in the

Dear Sir-We received checking copy of the paper with our advertisement in it and are well satisfied with it. We enclose copy for new advertising. Thank you.

EDWARDS' ELECTRIC. Drumheller, Alta.

WANTS EXPLANATION

Dear Sir—The curt refusal of Prime Minister St. Laurent to entertain the request of Carl Berg, Edmonton labor leader, for relief from the high cost of living is not compatible with the obligations of his high office.

Mr. St. Laurent was not only curt, but rude in turning down Mr. Berg's request for government action to combat the ever rising cost of living.

Edmonton. A. G. L.

CIVIL DEFENCE

Dear Sir-This whole business about civil defence is very mysterious. The government tells us we'd better get to work and organize a civil defence set-up. So we try to get started and what happens? Now and then some government leader makes a sensational statement about how awful the next war would be (which we all know) and then goes back to his political fence-making, leaving us standing without leadership. Redwater. OIL WORKER.

MILK DELIVERIES

Dear Sir-I see where the milk companies in Calgary are asking for a price increase. They say that if they don't get more they'll have to limit delivery to every other day. Well, I get my

milk from a farmer just outside town, so it really doesn't affect me personally. But if the milk companies want to save money, why not eliminate duplicated delivery? In any city you can see half a dozen milk wagons serving the same block each morning. Now they say those wagons should only go out every other day, in-stead of organizing a system whereby one could service the district each day.

Crossfield.

MISSES PAPER

Dear Sir-I enjoy reading your paper very much, and miss it greatly when it does not arrive. During the past two weeks I have not received my paper, due ne doubt to an oversight. Please check on this and send me the missing issues.

MRS. WILLENA CUNNINGHAM. R.R. No. 1, Hammond, B.C.

FARM BLOC OR BLOCK

Dear Sir-At the recent farmer's meeting in Regina Jimmy Gardiner stated: "The Canadian Federation of Agriculture is the Farm Bloc for Prairie Farmers." This is wrong. He should have said it is the "Block"—as it is the roadblock to world wheat markets. The world price of wheat is even now 46c bushel ahead of what we're getting. Our domestic wheat price just blocks us like a barricade. How about a farmer's protest meeting in Edmonton, Peace River and Grande Prairie to blast this barricade?

TOM POULSOM. Rochfort Bridge.

THE WEATHER MAY BE HOT NOW. BUT IT'S ONLY A FEW MONTHS

UNTIL WINTER

Now's your opportunity to beat next winter's fuel supply problem by ordering a bin-full of Egg Lake Coal.

Then, though you may be uncomfortably hot in this summer weather, you'll be comfortably warm next winter.

and tuition fees for the one-year teachers' course. During 1946-47, 233 students accepted this assist-

In 1947 the Province sponsored a system of scholarships providing 200 scholarships for \$200 each. These scholarships were continued until 1949 when bursaries were established by the Province.

The bursaries are of two kinds: a provincial bursary of \$200; or a bursary of \$300, provided jointly by the government and the school boards or divisions. There was no limit set on the number of burs-aries but the total provincial appropriation was limited to \$150,-000. Prospective student-teachers could apply for either of the bursaries but not both.

During 1949, 307 \$300-bursaries were awarded by 50 school divisions and six school districts. Government bursaries totalled 119. addition, the Province paid tuition and medical fees for 449 students. The cost of the shared bursaries was divided equally between the Province and the school divisions and districts, each party's share amounting to \$46,050. Province, in addition, paid out \$23,800 in provincial bursaries

NEW COUNTRY CLUB FORMED

A group of young Edmonton business men have completed arrangements to form the Hillcrest Country Club. The club will promote badminton, skating, skiing, and swimming in the winter and boating, riding and fishing in the summer

The club has made arrangements to buy one of the most beautiful sights in the vicinity of the city. The property consists of acres fronting the North Saskatchewan River, and includes a scenic ravine and stream. The location of the property, presently owned by Dr. Francis John Folinsbee, is in the west end of the city, having as boundaries 158 St. on the east, the Country Club Road on the north, a registered road on the west and Munson's farm on the

The immediate plans are for the construction of a club house with lounge, dining room, and dance floor and the construction of several badminton courts. The next major objective will be to construct an indoor swimming pool.

The Hillcrest Country Club has provided acreage for facilities for the erection of skating arena and riding stables.

The original directors of this club are A. K. Miller, D. M. Cor-mie, J. E. McDonough, M. McBride, and G. J. Hayward.

Vehicle Testing

Alberta's first province-wide vehicle testing program now is underway.

Service stations and garages who applied as official testing stations have received the neces sary forms and stickers and have commenced the program for testing the more than 150,000 cars motorcycles in Alberta.

"We've had excellent response and co-operation from the automotive industry," said E. R. Hughes, Deputy Provincial Secretary. "Within the first week of the program we received 470 applications from garages and ser vice stations in all parts of Alberta to act as official testing stations."

Most Alberta garages likely will act as testing stations, represent-ing all major towns and cities, and many smaller points.

and \$59,971 in tuition fees, making a total government expenditure of \$129,821, much less than the appropriation for this purpose.

ROADSIDES

By W. S. BACKMAN, Field Supervisor

It is very evident that some people are not aware of the duties of land owners and operators in regard to roadsides. The local Board of Trade, in sug-gesting changes in The Noxious Weeds Act, indicates the need of

a better knowledge of this Act-The Noxious Weeds Act, R.S.A. 1942, states under Interpretation: Land means and includes not only all land owned or occupied or controlled by any person, but for the purpose of the Act, also means and includes the land up to the centre line of all continuous roads or road allowances, highways, streets, or lanes, or streams, or the low water mark of any lake or body of water included within the said land

Under duties of other persons, Section 23 states: "Any Municipal District may by by-law undertake as from the passing of such by-law the duty created by this Act to prevent any noxious weeds from growing upon any or all roads, road allowances, highways, streets, lanes, or to the low wat:r mark of any stream, lake or bodies of water within the district, and to comply with all the provisions of this Act for their destruction and to provide that the cost inby so doing shall be paid out of the general revenue of the municipal district.

As the Board of Trade has discussed this problem, and as the Act also applies to towns and villages, it might be of value to mention Section 24. Every city, town and village in respect to all lands within the corporate limits thereof shall prevent any noxious weeds from growing upon any such land and shall comply with the provisions of this Act for their destruction. The Board of Trade might approach the Town Council with a view to clean up the lanes and vacant lots. It is not the responsibility of the Municipal officials to look after weeds in the towns.

A knowledge of The Noxious Weeds Act is helpful in suggesting changes. The sections quoted above shows that the Municipality needs the authority of the ratepayers before it can spend money on roadside weed control. Until

P. Schmalt & Sons Phone R1310 BEISEKER, Alta.

such authority is given by by law, the duty should be carried out by the land owner or operator.

The most satisfactory and per-manent method of keeping the roadsides clean is to backslope them and s. ed them to grass. This program is encouraged by the Provincial Government. The Department of Agriculture has been supplying, free of cost, sufficient grass seed to seed four miles in each division annually. There was enough seed supplied to this municipality to seed 28 miles of roadsides in 1950. The majority of it was not used. This year the municipality received sufficient seed for another 28 miles. It has all been seeded along with half of the 1950 sup-

of seed available to any ratepayer who will prepare the roadside and seed the grass seed, supplied free. This program should be continued and the municipality should match the amount of seed supplied by the Government of Alberta II. the Government of Alberta. It is the most effective and economical way to keep roadsides clean and tidy.

Approximately 25 per cent of the land owners and operators are taking pride in keeping their fence lines and roadside clean and mowed. Many have spray d with 2, 4 d. It is good protection for their clean fields. Many have found it a profitable hydrogen found it a profitable business. One young and progressive farmer told me he had taken over \$100 It has all been seeded er told me he had taken over \$100 . It is less expensive and pleas-with half of the 1950 sup-worth of hay from a half-mile of anter to have roadsides kept clean. There are still 500 pounds tax-free land, on the roadside, on a voluntary basis. However,

The bales of hay were lying thick on other roadsides in this munion other roadsides the hay roadsides are kept clean and tidy.

Roadsides and fence lines at this time of the year indicate the character of the man who farms the land on the other side of the fence. Clean f.nce lines and roadsides show pride in doing a good job and in the splendid crops now growing. The clean roadside is a noticeable contrast to the untidy ones. Sometimes it catches on and passes down the line. The same is true in town. It just takes a few interested land owners to clean up the surrounding lanes and roadsides.

there will always be some who do not care and will not go outside of their own property line. For this reason some other action is necessary. The by-law is one alternative. Annual cutting and apraying of weeds is uneconom-ical. Backsloping and seeding down is a permanent method. The Board of Trade could do considerable to encourage this program. They could bring pressure to bear so that our main highways are This is, of course, se ded down. the responsibility of the Department of Highways. As soon as the main highways are clean, it will spread throughout the municipality faster than it is at present. An all out program of backsloping and seeding down road-sides is needed.

The NEW and MIGHTY

For the biggest, heaviest loads, and the longest toughest hauls, you can put your faith in Chevrolet trucks — and be sure of top-flight performance and maximum operating economy. In the heavy-duty field as in every other, Chevrolet trucks are designed and engineered to provide the greatest possible load space at lowest cost, combined with operating economy, equalized weight distribution and easy handling. Whatever your haulage needs, you can be absolutely sure there's a Chevrolet Truck that's exactly right for your purpose. See your Chevrolet Truck dealer!

Farm Union Executive Holds Four-Day Meet

The meeting of the F.U.A. Central Board, which was held in Edmonton July 31st to August 3rd, was both interesting and important.

One interesting feature of this success or impotence to the F.U.A. board meeting was the return of two former presidents to the board in the persons of James Jackson and Carl Stimple, both of whom are now directors.

Of course, at a meeting like this considerable time is spent in receiving and considering reports on the affairs of the F.U.A. duron the arrais of the r.C.A. dur-ing the months since the last board meeting. This is the duty of our board and it takes time to do a job on it. Then there is the responsibility of laying down policy for the president and exe-cutive to carry out. These two cutive to carry out. These two be J. L. Phelus, president, Sas-functions can keep a board very katchewan Farmers' Union, Hon. busy for several days at a mid- J. G. Gardiner and Hon. David season meeting and they certainly

were busy at this meeting.

Probably the most important action of the board meeting was membership drive immediately after harvest this fall. The actual date at which this commences will be set later and may vary in some districts according to harvest conditions.

In this membership drive the main obejctive will be to canvass for membership rather than hold meetings. That can come later. The object will be to arrange for a complete canvass of every town-ship of settled land in Alberta.

Information and material for the drive will be issued from Central Office later. In the year to come, membership will be of prime importance. It will mean

Another important job done by the board was the adoption of a F.U.A. Program. This is based upon the decisions of the three annual conventions of the F.U.A. Such a program gives something definite as to what the union stands for and should be of considerable assistance in getting membership.

Considerable time of the board meeting was taken in making arrangements for the next annual convention. This will be in Cal-gary, December 10th to 14th next. Principal speakers asked for will Ure, also Hon. Mr. Bowman, the B.C. Minister of Agriculture.

The question of publicity for the F.U.A. was considered at some length. Several applications for the job of publicity agent for the union were discussed. It was decided however that no appointment should be made at present.

The question of closer relations

On the question of Producer Marketing boards, a committee was appointed to gather information and put it in a form under-standable to the public. In addi-tion the board decided to make every effort to further the setting of such boards as soon as feasible.

question of Coarse Grain Marketing, the board, by a unamimous vote, declared itself in favor of the present method of marketing through the Wheat Board.

Replies from the Provincial Government to last years resolu-tions on Provincial matters were received and discussed.

Two Constitutional Amend-

ments intended for the next annual convention were passed by

Office will act for Edmonton.

A report on the Junior Conference was given by the Junior President, Bruce Ellis, and considerable discussion followed. The board also gave support to the coming Rural Leadership Course at Banff next October and authorized. ized Mr. Mowat to attend if possible.

The question of membership fees and a family membership system was discussed at length, but nothing satisfactory was evolved and it was finally decided

between the F.U.A. and other Western Farm Unions was reviewed at some length. It was agreed that any move to this end would have to come through the Annual Conventions.

A full report on the Regina Conference was given by various members of the executive who had been present. The Brief which had been presented to the Federal Ministers was considered and approved with the exception of the section dealing with Wartime Cooperation.

On the question of Producer

the board, though by no means to refer the whole matter back to the committee for further study. The question will again come bebasis of 12 months from date of payment and second, to have the Executive elected by and from the Board of Directors.

The question of farm labor was discussed at some length and a committee composed of Messrs. Armstrong, Lembicz and Hawley was set up. Each of these to act as a contact man in their own districts of Calgary, Red Deer and proved with the exception of the section dealing with Wartime Cooperation.

A report on the Junior Confer
A report on the Junior Confer-

A report on the Sand & Gravel Case was given to the meeting. This case will be heard in Edmonton during September.

After four busy days the board meeting ended about 6.30 on August 3rd with all outstanding business completed.

Annual Picnic Huge Success

BEISEKER - Although the threat of rain was great, St. Mary's Parish of Beiseker and District attended the annual picnic in grand style. The picnic was organized by Jerry Schissel's Columbus Club of the local Knights of Columbus Council. Prizes and trophies were handed out in all drections and fun was had by all who want d it.

The children's races were well attended and well run, with much fine competition being shown. The winners are listed below. The three-legg:d race started out to be good, but a few accidents along the way resulted in Lewellyen Schwartzenberger and his sister Lewanna, coming in all by themselves. Some f. w minutes later, however, Mattie Schmaltz and Catherine Schmaltz came shuffling across the finish line looking for second prize.

The girls' ball game was a big success, with fine spirit shown by both teams. Gwen Verhaest's "Gravel Crushers" beat out Pauline Schmaltz's "Oil Drillers" in a thrilling finish that saw a score of 10 to 9. Gwen's team now have a nice trophy, given to

them by Father Tennant.

Tony Schmaltz and Steve Silbernagel picked up two teams for the annual tug-o'-war. I guess Steve will have to pay his team more next time, because almost from the start his team began to lie down. This is just what Tony was looking for, with the result that all he had to do was haul them in. You can find the names of these mighty men below.

If Les Lear of the Calgary Stampeders football team had seen Mrs. L. L. Schmaltz block out some of the opposition, and take the best flying tackle we have seen for some time, while chasing the rooster during the "Rooster Chase," he would have signed her up on the spot. By the way, Mrs. L. L. went home with that rooster. Many thanks go to Mr. Matt Schmaltz, who

donated the rooster.

The Grand Knight, Tony Hagel, and the Deputy Grand Knight, F A. Meidinger, picked up two soft-ball teams. Fred's "Dapper Dan-dies" beat Tony's "Cute Kids" 6 to 1 in the resulting ball game, to arn the right to take home the very fine trophy given by Father Tennant. By the way, did you see the group out in right field on the hay stack? Whose side were

Many thanks go to the Beiseker Lions Band for allowing some of th ir members to play at the

picnic; it was enjoyed by all.

We appreciate very much the thoughtfulness of Father Tennant

868 Persons Were X-Rayed

BEISEKER - The chest X-ray sponsored by the Beiseker Lions Club and operated by the Alberta Department of Health, was held in the Memorial Hall on Aug. 9 and 10 and 868 persons were X-rayed. The district comprised Township

28. Ranges, 24, 25 and 27. More than one person per minute were X-rayed during the time the unit was in operation, which was Mrs. Parks, R.N., who was charge, and Mrs. Wald and Miss Wegner who assisted with

registration.
